

CUA LAW 2016 CLASS GIFT CAMPAIGN

Dear Class of

2016,

Looking back at your experience at CUA Law, it is likely that there is some time you have shown your support to our community. Whether it be mentoring a fellow student, attending a favorite law school event, or supporting a student organization, you have already shown that you care about our school community. [Giving to the class gift](#) provides us the opportunity to unite as a group and show that we care about our class legacy, the Law School community, and future students.

What do we want to do?

As soon-to-be alumni this is our chance to make our impact as students! Our class giving success is measured by participation. Last year, 60% of the Class of 2015 participated in their class gift. The Class of 2008 boasts the highest giving participation at 75%. We know we can surpass these numbers and as an added incentive, **if at least 50% of the class donates by the Champagne Toast in late April, our accomplishment will be recognized by Dean Attridge and he will generously match the aggregate amount of the class' gifts up to \$5,000!**

How are we going to do it?

The Class of 2016 is committed to the initiatives and programs that make CUA Law unique. Anyone who gives to the class gift will have the opportunity to select an initiative which your donation will directly support. This includes any student organization, clinic, journal or other law school program or initiative. For example, if you want to help fund public interest stipends, you can direct your donation towards SPIL. Had a great experience at the Innocence Project Clinic? You can direct your class gift

to the Clinic. When you [make your gift](#), just indicate where you would like to direct your contribution. For more information on these funds, visit the [fund website](#).
